

Brochure I

Crittenden County Coalition for a Drug-Free Community and KY-ASAP CHAMPIONS sponsored a Pastors Forum March 25, 2010. Director Cheyene Albro (Pennyroyal Narcotics Task Force) and Chaplain Mike Chambers (CCFDFC) gave a presentation on what a Pastor can do to help recognize substance abuse issues plus what he can do to help their congregations. This brochure is in response to two questions asked.

Substance Abuse and Your Congregation

Question 6 on the Pastor's Forum Evaluation Form asked the following:

What other questions do you have regarding your role as pastor concerning substance abuse and members of your congregation?
